40+	20	8	Pan India
firms on our client list	UltraTech RMC plants that buy from us	brands in one place	We send to any state in India.

WHAT WE SELL

Five things our customers order again and again

Admixture	Mixed into the cement mix, so it pours well and gets strong.	Asian Paints Maximoplast · BASF MasterPolyheed · Sika ViscoCrete · Normet TamCem · Endura Enduracon
Fly ash	Fine ash for the cement mix. It comes in big tank trucks.	Bulk, in bulkers
Accelerator	Helps the mix shot on tunnel walls set fast.	Normet TamShot
Microsilica	A very fine powder that makes the mix stronger.	Normet
Curing compound	Spread on new work so it keeps water and does not crack.	CAC Curewell

WHY BUY FROM US

One rate
We check many brands. You get one rate, with the truck cost in it.

On time
We plan each truck with the factory. Your work does not wait.

Anywhere in India
The factory sends the goods straight to you.

Many brands
The same goods from many brands. We tell you which one fits.

One call
We handle visits, trucks and stock. You call only us.

Tests done for you
We set up the trial mix and source approval with the brand.
